MEMORANDUM FOR: Chairman, Intelligence Research and
Development Council

SUBJECT: Directed Energy Systems

Dick:

We are delighted with the various programs underway concerning
directed energy systems. One item of particular interest is the
review that you directed regarding the utility of the [redacted] 25X1
system which has the prospect for [redacted] 25X1

[redacted] The desirability of such a system is most 25X1
urgent and we anxiously await your report on that review.
